

Battery tester

Dry Box

Heat drying + UV

Environmentally friendly

Drying box for hearing aids with built-in battery tester

Functions:

- Removes moisture and condensation via gentle heat drying with simultaneous UV light radiation with 3 selectable levels
- Removable plastic shell (dishwasher safe)
- Environmentally-friendly - you do not need any expensive chemicals or drying agents
- 4 powerful UV lights ensure for even radiation
- UV light inhibits the growth of bacteria which can cause itchy ears
- Integrated battery tester - testing the batteries prevents premature replacement and helps you save money.
- The device is easy to open, even for people with arthritis with auto-stop function if the cover is opened during operation.
- Easy single-button operation
- Drying cycle timer 2 / 4 / 8 hours
- Can hold up to 2 pairs of hearing aids or cochlear implants.
