

FW55

# aurum pro

Versatile and well-equipped smartwatch with the ability to make a phone call and control music. Inside, a very capacious battery lasting up to 10 days of active using or 30 days of standby and a sensor that guarantees reliable measurements of health and sports parameters, such as heart rate measurement 24 h/7. It has a large frameless screen that you can personalize according to your preferences and a variety of watch faces.
